TESTIMONIALS

Johnny Ward (Fair City / Love Hate) & Brenda Murphy

8th July

"As soon as myself and Brenda met Lorna Mc Keon we knew we had found our perfect wedding planner! This incredible woman is so warm, kind and bends over backwards to make sure you feel unique and special in the build up to the big day. What makes Lorna stand out amongst the rest is that "Yes" is always the answer and she will always go to great lengths to accommodate exactly what you request in the most professional way.

Lorna takes away any stress or concerns you may have towards the big day by coming up with super and faultless ideas that will always make you leave feeling super excited about what you were worried about in the first place! Not only is Lorna second to none but she has also become a very close friend in the organisation of our wedding. We really could not feel more special!"

"We cannot put into words how amazing this hotel and staff are! From booking our wedding to now, they have all went above and beyond for us. Lorna has been a dream to work with! She's so friendly, welcoming, calming and amazing at what she does. Nothing was ever an issue and she was always so happy to help and answer the many of questions we had throughout the past two years. You're in very safe hands with Lorna! We went with the 'All Inclusive Package'. It's most of the work done for you already. All of the suppliers are fantastic - leaving it very hard to choose. The

food, drink and atmosphere in the hotel is out of this world!, not to mention the beautiful staircase! The amount of compliments we received from our guests about this venue was unreal. We even had a few book to stay again already! On the wedding day, Lorna & Bonnie made sure everything ran smoothly, along with looking after us and all of our guests. All of the staff involved were so friendly and professional. We had the best day ever and it's all down to the amazing team at The Westgrove Hotel. Really cannot recommend this venue enough! It holds a special place in our hearts now. "

"We recently had our wedding in The Westgrove Hotel, to say it is a stunning hotel is an understatement! From the moment we booked our wedding, Lorna and her incredible team of co-ordinators were on hand to guide us through everything. No request was too big or too small for them, they went above and beyond for us and honestly made planning our wedding so enjoyable and stress free. The attention to detail, communication and support from the wedding team is second to none, they all made us feel like the most important couple in the world. We opted for a package with the hotel which I would highly recommend. Not only is it incredible value for money, but having so much included in the package really takes so much of the stress out of planning a wedding. We could really enjoy the build-up and the preparations knowing that our wedding was in such good hands. All of our guests had the most

amazing time at our wedding, everyone was raving about how delicious the food was, how there were several offers of extra servings and that the wine flowed all evening! We honestly couldn't have asked for anymore from the hotel. Lorna, Lydia and Bonnie really are a dream team, they are so beautiful both inside and out and will go the extra mile to ensure that your day is absolutely everything you have always hoped and dreamed it would be. Our day was so special. The setting of the hotel, the grand staircase, the roof top terrace, the gardens, they are all exquisite and really have the wow factor. I'm so delighted that we chose the Westgrove Hotel for our wedding, our dreams were turned into reality and it was the best day of our lives. You guys are amazing and a piece of my heart will always belong to this hotel and all the staff."

21st May

"Myself and my husband, Stephen, were married in the Westgrove Hotel in May. Lorna Mc Keon was our wedding coordinator and we were blessed to have her. From the beginning, Lorna sat down with us and, before we even started talking about the wedding, she got to know us as people. How we met, what we were watching on Netflix (we both were watching Schitts Creek at the time) and created a foundation of trust with us. Having visited other hotels and met other wedding coordinators, most of them seemed to be a walking sales pitch, but Lorna was down to earth and told us her experience of working in The Westgrove Hotel and about her life. Her passion and her sense of humour made us fall in love with the place.

Being a same-sex couple, we were apprehensive about how we would be treated

but, with Lorna, she only saw two people in love who wanted to get married. Our entire experience with the entire hotel felt genuine and respected.

The day of the wedding, Lorna kept us calm and even took us aside at one point just to take a breath and take everything in. She was kind and caring to both of us as well as each of our family members. Family means everything to us so to see someone be as loving with them meant the world to us. The Westgrove Hotel and its staff are truly amazing. It is where we were married, where we created a day we will always remember and where we will visit again and again. This is because of Lorna McKeon. She is the heart and soul of the hotel and we can never thank her enough."
