The moment you walk down the aisle is one you'll remember forever, and at The Westgrove Hotel, we've created a setting worthy of that once-in-a-lifetime moment.

Exchange your vows beneath the open sky on our stunning Roof Terrace or in the elegant O'Connell Suite, where natural daylight, timeless décor and a beautiful long aisle create an unforgettable backdrop for your ceremony. Complete with your choice of a red or ivory-carpet aisle, floral arches, candle-lit lanterns and exquisite floral styling, every detail has been thoughtfully curated to bring your vision to life.

As you take those first steps towards your future together, surrounded by family and friends, our experienced team will ensure every moment unfolds seamlessly, allowing you to simply be present and soak in every second.

Say "I Do" at The Westgrove Hotel and begin your forever in a setting filled with romance, elegance and unforgettable memories.

Time to mingle

Following your ceremony, your celebrations continue in the exclusive surroundings of your own private West Wing, reserved solely for you and your guests. With three beautifully designed spaces to enjoy, your **Drinks Reception** becomes far more than a welcome drink - it's a relaxed and elegant celebration shared with the people who matter most.

Picture your guests ascending the fairy-tale Grand Staircase to the elegant Mezzanine, where breathtaking views of the Wicklow Mountains provide a stunning backdrop while your personal musician sings and performs on our Baby Grand Piano, creating a truly unforgettable atmosphere.

Step into the cosy **Roof Terrace Bar** or make the most of our open-air **Roof Terrace**, where guests can relax, mingle and soak up the atmosphere beneath blue skies in the exclusive surroundings of your private West Wing. As daylight fades, the terrace comes to life with the warm glow of twinkling fairy lights, creating a magical setting to continue the celebrations.

As champagne glasses clink and conversations flow, guests will enjoy a selection of beautifully presented canapés and sweet treats, perfectly paired with chilled prosecco and refreshments, before you all come together once again for your Wedding Banquet.

The Celebration Continues

Your wedding is more than a single day – it's a collection of unforgettable moments shared with the people who matter most.

Some of the best memories are made before you walk up the aisle... and after the last dance. Extend the celebrations and make the most of every precious moment with the people you love by creating a truly unforgettable wedding weekend.

Whether it's an intimate **Rehearsal Dinner** the evening before, filled with excitement and anticipation, or a relaxed **Day Two** celebration where everyone can relive the highlights of your special day, we'll help you create moments to remember long after the last dance.

You may be welcoming guests who have travelled from near and far or simply looking for more time to celebrate together; our elegant spaces, exceptional cuisine and warm hospitality provide the perfect setting to continue the celebrations. Relax, reconnect and enjoy every moment, knowing our experienced team will take care of every detail.

Enjoy a outdoor Rooftop BBQ on our beautiful Roof Terrace with access to your own private bar. Or host an exclusive gathering in one of our private event spaces and a delicious buffet or unwind with family and friends over drinks and light bites in the inviting surroundings of our welcoming bar.

Whatever you choose, every celebration is tailored to suit your style and make the most of your wedding weekend.

Whether you're joining us for an intimate evening meal, or celebratory dinner, every dish is thoughtfully prepared and perfectly complemented by an extensive wine list, handcrafted cocktails and attentive, welcoming service.

Library

Escape to the quiet elegance of our Library, a peaceful retreat where you can step away from the excitement of the day and simply enjoy a moment together. Rich wooden bookcases, sumptuous leather seating and soft lighting create an inviting atmosphere, perfect for relaxing with a coffee, a carefully crafted cocktail or a good book.

Whether it's a few precious moments alone before the celebrations begin, a quiet pause together after saying "I do", or a comfortable space for guests to unwind throughout the weekend, the Library offers a welcome sense of calm. It's these little moments away from the bustle that often become some of the most treasured memories of your wedding experience.

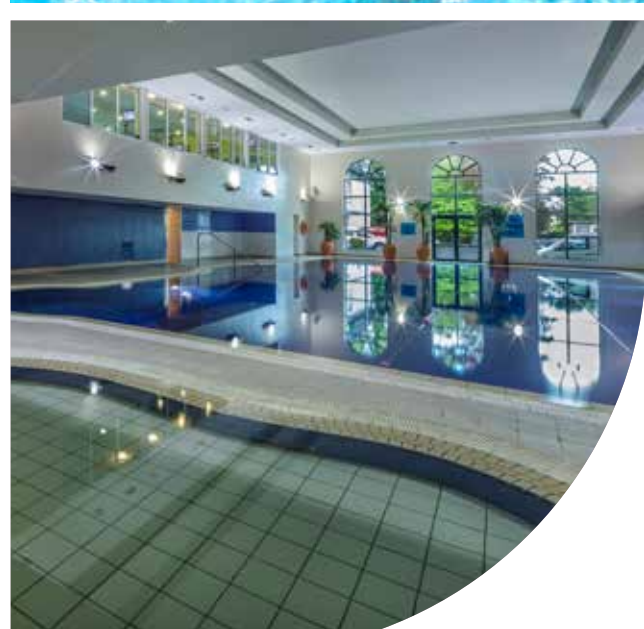

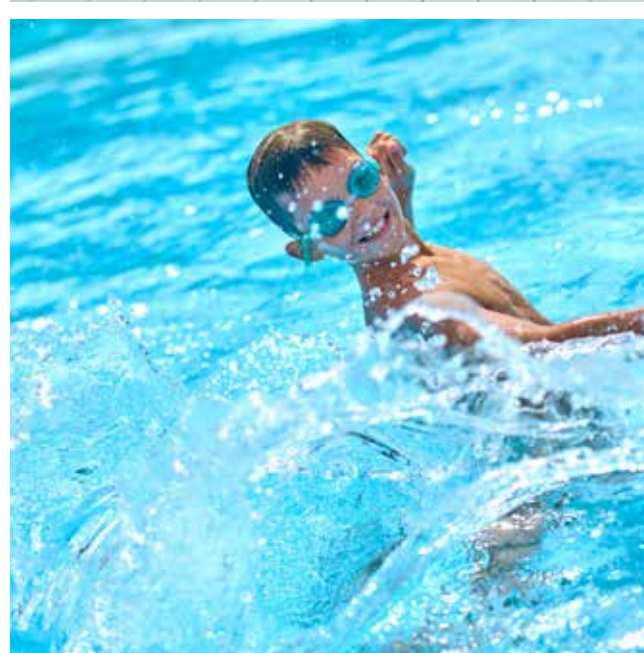

Leisure

Picture beginning the morning after your wedding with a refreshing swim, easing into the day as you relive the wonderful memories of the celebrations. Whether you're unwinding in the jacuzzi, enjoying the soothing warmth of the steam room, or simply taking a little time to relax, it's the perfect way to recharge before another day spent with family and friends.

Guests of every age can enjoy the Leisure Club, from little ones making memories in the dedicated kiddies' pool to adults enjoying a leisurely swim or a well-earned moment of relaxation. It's another thoughtful addition that makes a stay at The Westgrove so enjoyable for everyone.

Recognised with the prestigious ILAM White Flag Award, our Leisure Club reflects the exceptional standards of quality and service synonymous with The Westgrove Hotel. It's just one more reason couples choose to celebrate with us, knowing their family and friends can enjoy every moment of their stay in comfort and style.

The ceremony room was one of the reasons we chose The Westgrove Hotel and it did not disappoint. It's such a bright, beautiful space and felt so warm and welcoming from the moment we walked in. All of the stunning décor, including the white carpet, lanterns, flowers, arches and everything else made walking down the long aisle towards my future husband one of the most emotional moments of the day.

All of our guests commented on how beautiful it was.

As soon as we met Lorna, we knew we had found the perfect wedding planner. This incredible woman is so warm, kind and professional, she makes you feel so special in the build up to the big day. Lydia, our Wedding Coordinator became so much more than someone planning our day. She shared in our excitement, helped us every single step and made planning our day the best fun ever.

Being a same-sex couple, we were apprehensive about how we would be treated, but with Lorna, she only saw two people in love who wanted to get married. Our entire experience with the hotel felt genuine and respected. Before we even started talking about the wedding, she got to know us both as people and shared so much of her personality with us. Her experience, knowledge, passion and sense of humour made us fall in love with the hotel there and then.

From the first time we viewed The Westgrove Hotel we fell in love with every part of it. The grand staircase is an amazing backdrop to welcome your guests. The private Drinks Reception areas are stunning including the perfect Roof Terrace which all our guests loved!. The Banqueting Suite is magical with stunning décor, a sparkling dancefloor & backdrop and beautiful, personal touches throughout.

Magical!
